Search TO Catalog	This function compares to Part 2 of the Legacy TO Index. This basic TO Index information search screen may be used to determine TO Index information for a single TO/TCTO/TO Supplement or series of TOs.
Search Changes in TO Status	This search function provides capability to determine changes in TO Index status for entered TO/TO Series by date range or by type of Index status change. Examples include: New Basic TOs, New Distributed and Superseded TOs, Rescinded and Reinstated TOs and Renumbered TOs.
AFTO Form 187	This function provides users the capability to order (request Initial Distribution (ID) and/or Requisition) TOs. The TOs needed are first added to the order. Once the Order is reviewed, it may then be submitted for processing by SATODS. TOs added to an Order will be held indefinitely until the Order is submitted or cancelled.
MY TO Profile	This function provides capability to receive electronic notification when the publication status for specified TO(s) changes. The user will enter a TO number. These will be saved to a 'My TO' profile. When publication status changes for any TO listed in the User's 'My TO' profile, an e-mail notification will be sent listing the TO and the change to publication status.

The Technical Order (TO) Catalog System provides FMS customers with index (or summary) information about active and available AF TOs, Time Compliant TOs (TCTOs), Country Standard TOs, and M-Symbol TOs. The TO system is used to help identify TO initial distribution, changes, supplements, revisions, publication dates, distribution dates, TO manager organizations, publication stock numbers, as well as many other useful pieces of information regarding TOs. Use of this system by foreign customers will help ensure continuity of aircraft, weapon system maintenance and safety of flight. Customers can

Selecting

Search for TOs by providing one or more of the following fields. Fields are not case sensitive.

TO Number:	1f-16
TO Date (yyyymmdd):	
Publication Type:	All Publication Types
TO Type:	All TOs/TCTOs

[Search]   [Clear]

Enter 1F-16 in TO Number field . . . To query only TCTOs, select from 'TO Type' Drop-Down

M-Symbol TOs (obsolete for United States Air Force, like F-4s) are now available via this query. They are identified by a 'M' in the FMS Code field on the results screen.

To query country-standard TOs, you must input the appropriate country code in front of the TO number.

2493 TO(s) matched your search criteria:
